ENVIRONMENTAL ASSESSMENT ACT

O. Reg. 257/86.
Exemption—Ministry of Government Services—MGS-64.
Made—April 24th, 1986
Approved—April 24th, 1986.
Filed—May 7th, 1986.

ORDER MADE UNDER THE ENVIRONMENTAL ASSESSMENT ACT

EXEMPTION—MINISTRY OF GOVERNMENT SERVICES—MGS-64

Having received a request from the Ministry of Government Services that an undertaking, namely:

> The obtaining of approvals under the *Planning Act, 1983*, permitting substantial changes in the permitted use of lands or buildings held by the Ministry of Government Services, to facilitate the disposition of those lands or buildings,

be exempt from the application of the Act pursuant to section 29; and

Having been advised that if the undertaking is subject to the application of the Act, the following injury, damage or interference with the persons and property indicated will occur:

A. The Crown will be interfered with and damaged by loss of revenues that would result from the disposal of real property at less than the maximum price obtainable when all land use approvals are in place; and

Having weighed such injury, damage or interference against the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment which would result from the undertaking being subject to the application of the Act;

The undersigned is of the opinion that it is in the public interest to order and orders that the undertaking is exempt from the application of the Act for the following reason:

A. The change in the permitted use of the land or building will be controlled and governed by the approval procedures under the *Planning Act, 1983*, which procedures include some provision for considering environmental concerns, and the application of the Act would, therefore, cause undue interference under Ministry of Government Services' programs.

This exemption is subject to the following terms and conditions:

1. Where any activity that would otherwise be exempt under this Order is being carried out as an undertaking for which an environmental assessment has been done and approval to proceed received, the activity shall not be carried out under this Order but shall be carried out in accordance with the approval to proceed.

2. Where approval under the *Environmental Assessment Act* will be required for the proposed use of lands or buildings, this Order does not apply.

3. Where there is Ministry of Government Services participation beyond obtaining approvals under the *Planning Act, 1983* and selling or otherwise disposing of interests in land, or the land or part of the land will be used by the Crown, the activity is not exempt under this Order.

4. The Ministry of Government Services shall, prior to any application under the *Planning Act, 1983*, submit to the Director of the Environmental Assessment Branch a background information report for each undertaking carried out under this Order containing a description of, and rationale for the project and a summary of its impacts.

5. This Order shall cease to apply four years after it is filed under the *Regulations Act* except with respect to applications for approvals filed under the *Planning Act, 1983* before such date.

6. This Order shall cease to apply five years after it is filed under the *Regulations Act*. O. Reg. 257/86.

ENVIRONMENTAL ASSESSMENT ACT

O. Reg. 258/86.
Exemption—The Corporation of the Town of Grimsby—GRIM-T-1.
Made—April 24th, 1986.
Approved—April 24th, 1986.
Filed—May 7th, 1986.

ORDER MADE UNDER THE ENVIRONMENTAL ASSESSMENT ACT

EXEMPTION—THE CORPORATION OF THE TOWN OF GRIMSBY—GRIM-T-1

Having received a request from The Corporation of the Town of Grimsby that an undertaking, namely:

> the proposal to expand the existing contours and landfill site currently approved under Provisional Certificate of Approval No. A 120 601 (the Park Road sanitary landfill site) located in Part of Lot 2, Concession 6, at the intersection of Park Road (south) and Sobie Road (North) in the Town of Grimsby, The Regional Municipality of Niagara, for the disposal of domestic, commercial, and non-hazardous solid industrial wastes in accordance with the proposal dated February, 1985 by the Proctor and Redfern Group,

be exempt from the application of the Act pursuant to section 29; and

Having been advised by the Town of Grimsby that if the undertaking is subject to the application of the Act, the following injury, damage or interference with the persons and property indicated will occur:

A. The Town has limited disposal capacity remaining under the current licence for use under the management of a joint board for wastes from the Town of Grimsby and the municipalities of Lincoln, Pelham and West Lincoln and delay in implementing an interim expansion would cause damage to the municipality. An environmental assessment for a waste management system has been underway since July, 1983.

B. Other available options for interim waste management which were evaluated and which would not require an approval under the Act would result in significant increases in costs, over and above what the users of the site can bear.

Having weighed such injury, damage or interference against the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment which would result from the undertaking being subject to the application of the Act;

The undersigned is of the opinion that it is in the public interest to order and orders that the undertaking is exempt from the application of the Act for the following reasons:

A. The expansion of existing contours on the north of the existing Park Road waste disposal site is an interim measure for which there are no other reasonable waste management alternatives which can be implemented within the necessary timeframe.

B. The proposal to increase the existing contours of the Park Road landfill site is not a major undertaking and would have no significant adverse effect on the environment as defined by the *Environmental Assessment Act* including adjacent persons or property. The waste disposal site has been in operation since before 1971 and is an established and accepted land use. Interim alternatives have been evaluated including waste export. It was concluded by the Town of Grimsby that these alternative options are not suitable as an interim solution.

C. The existing waste disposal operation is outlines under Provisional Certificate of Approval No. A120601 and the interim expansion of the Park Road site is subject to the requirements of the *Environmental Protection Act*. Pursuant to this Act, a public hearing will be required. This hearing will give local residents the opportunity to provide input to the Environmental Assessment Board and in turn to the Director on the technical aspects of this proposal.

D. The public has been informed about the exemption and an initial meeting took place on April 16, 1985. A series of meetings and letters transpired with the Public Advisory Committee, HELP group and other local residents. Subsequent to the consultation process, the public accepted the seeking of this exemption based on conditions they proposed to be considered at the EPA hearing. No review agency expressed any concerns over the issuing of the exemption.

This Exemption Order is subject to the following terms and conditions:

1. No waste shall be deposited at the Park Road Landfill Site pursuant to this Order after December 31, 1986 unless the Town of Grimsby has submitted an application for a Certificate of Approval for an expansion of the site under the *Environmental Protection Act*. This application shall include the following:

   (*a*) supporting documentation detailing development, operation and closure of the site, including a final cover;

   (*b*) a revised site monitoring program with provision for annual review;

   (*c*) a final contour plan which provides stable slopes for adequate drainage;

   (*d*) a contingency plan for leachate management; and

   (*e*) a final contour which at its maximum is approximately the same as the existing maximum contours.

2. No waste shall be deposited at the Park Road Landfill Site pursuant to this Order after the earlier of January 1, 1990 and a date on which sufficient alternate capacity is available to receive waste from the municipalities of Grimsby, Lincoln, Pelham and West Lincoln at another site approved under the Act.

3. No waste shall be deposited at the Park Road Landfill Site pursuant to this Order except commercial, domestic and non-hazardous solid industrial waste generated within the municipalities of Grimsby, Lincoln, Pelham and West Lincoln.

4. The existing ground and surface water monitoring programs, as developed by Morrison Beatty Limited, shall be continued at the site, subject to any changes which may be required from time to time by the Director of West Central Region of the Ministry of the Environment or as a result of the application for expansion under the *Environmental Protection Act*.

5. The wells located in the northwest corner of the site shall be located and sealed in accordance with the specifications of Morrison Beatty Limited and to the satisfaction of the Ministry of the Environment.

6. Prior to submission of an application for a Certificate of Approval for an expansion of the site, the material prepared in support of the application shall be reviewed with the public.

7. The site shall be developed, operated and closed in accordance with any terms and conditions attached to any approval for the expansion of the site.

8. No waste shall be deposited outside the landfill area, below the bottom contours or above the final contours approved on a new Certificate of Approval.

9. A plan shall be provided as part of the Part 5 Application under the *Environmental Protection Act* indicating how final contours, final cover and the use of inert material shall be implemented and in particular indicating how the disposal of the inert material at the Park Road site will take place, after the alternate capacity is available at another landfill site within the four municipalities.

10. If it is demonstrated during site operation that the surface drainage facilities are not performing adequately, appropriate remedial measures shall be undertaken.

11. A liaison committee, consisting of members of the Management Board of the landfill site and members of the public shall be established to:

   (*a*) ensure that the operation and maintenance of the landfill site is carried out pursuant to the terms and conditions of this Order;

   (*b*) resolve any problems that may arise during the operation of the site; and

   (*c*) send written reports on the operation of the site, the compliance with conditions of this Exemption Order, and the activities of the liaison committee to the Ministry of the Environment's Regional Director, West Central Region, and the Ministry's Director, Environmental Assessment Branch, semi-annually.

12. Where an activity which otherwise would be exempt under this Order is being carried out in connection with or is part of, an undertaking for which an environmental assessment has been done and approval to proceed received, the activity shall not be exempt under this Order, but shall be carried out in accordance with approval to proceed. Planning Act—Policy Statement

Ontario

POLICY STATEMENT

Mineral Aggregate Resources

A statement of Ontario Government policy issued under the authority of Section 3 of the Planning Act 1983

Approved by
Lieutenant Governor in Council
Order in Council No. 1249 – 86
May 9, 1986

Minister of
Natural
Resources

Minister of
Municipal Affairs

PURPOSE

This document is prepared under the authority of Section 3 of the Planning Act and is the Province of Ontario's policy statement on planning for mineral aggregate resources.

INTERPRETATION

This provincial policy statement:

- is issued jointly by the Minister of Municipal Affairs and the Minister of Natural Resources under the Planning Act.
- does not supersede or take priority over other policy statements issued under this Act, or any other policy approved by the Lieutenant Governor in Council for any specific area of the province.
- replaces the "Mineral Aggregate Resource Planning Policy" approved by Cabinet, December 22, 1982.

BACKGROUND

Mineral aggregates are vital to Ontario's economy. In 1980, for example, approximately 120 million tonnes or more than fourteen tonnes of mineral aggregate per capita were used in Ontario.

Although potential reserves exist in many parts of the Province, a reduction in the availability of mineral aggregates is occurring as a result of:

- depletion of near market supplies;
- effective elimination of some valuable mineral aggregate sources by other development, for example housing, occurring over or adjacent to the deposits; and
- restrictive controls which make the establishment and operation of pits and quarries difficult.

A scarcity of mineral aggregates is occurring within certain parts of Ontario. This results in increased mineral aggregate costs whether through hauling the material from distant sources; through using more expensive substitute materials; or through using more expensive processing techniques to upgrade

lower quality materials. Such increased costs are ultimately transferred to the consumer. Therefore it is important that sufficient mineral aggregate resources are available to meet the future needs of Ontario residents.

This policy statement establishes mineral aggregate resources as a matter of provincial interest and concern. It includes specific policies to ensure that regard is paid to the importance of mineral aggregates and that the overall provincial interest is taken into account in any related planning action.

DEFINITIONS

For the purpose of this policy statement,

- Mineral Aggregates means:

  sand, gravel, shale, limestone, dolostone, sandstone and other mineral materials suitable for construction, industrial, manufacturing and maintenance purposes, but does not include metalliferous minerals, fossil fuels, or non-aggregate industrial minerals such as asbestos, gypsum, nepheline syenite, peat, salt and talc or mine tailings.

- Legally Existing Pits and Quarries means:

  a) lands under licence or permit, other than wayside pits and quarries, issued in accordance with the Pits and Quarries Control Act, or the Mining Act, or successors thereto; and

  b) for lands not under licence or permit, established pits and quarries that are not in contravention of municipal zoning by-laws and including adjacent land under agreement with or owned by the operator, to permit continuation of the operation.

- Wayside Pit or Wayside Quarry means:

  a temporary pit or quarry opened and used by a public road authority solely for the purpose of a particular project or contract of road construction and not located on the road right-of-way.

PRINCIPLES

The following mineral aggregate resource planning principles are recognized as the basis for the policies contained in this document.

- Mineral aggregates are essential non-renewable natural resources. They should be recognized as important components in any comprehensive land use or resource management program.

- Mineral aggregates should be available to the consumers of Ontario at a reasonable cost.

- All parts of Ontario possessing mineral aggregate resources share a responsibility for meeting future provincial demand. Mineral aggregate resources vary in quality and significance. Demand for them varies depending on location and circumstances.

- Notwithstanding the need for mineral aggregates, it is essential to ensure that extraction is carried out with minimal social and environmental cost. The protection of the natural environment is of particular importance, as is the wise management of the province's physical resources. In this regard there is a recognized need to develop policy and regulatory provisions that:

  a) establish good operating standards;
  b) ensure rehabilitation; and
  c) establish evaluation and approval procedures for creating new operations and expanding existing operations.

- The supply of mineral aggregates as an essential construction material, is important to the overall development of any area. It is necessary to maintain sources of supply as close to markets as possible until such time as long distance transportation may become feasible.

- Other land uses may in specific instances, take precedence over aggregate extraction, including wayside pits and quarries.

- Wayside pits and quarries are needed on a temporary basis and often at short notice to supply mineral aggregates for certain projects of public authorities such as roads, at minimum cost to the taxpayer. Consultation with municipalities will be followed to ensure minimal adverse impacts on the social and natural environment and to ensure effective rehabilitation. The Ministry of Natural Resources shall have regard for policies approved by the Lieutenant Governor in Council for any specific area of the province before issuing a wayside pit or quarry permit.

- Municipalities have an important role in planning for mineral aggregate resources and aggregate operations and should encourage the concept of extraction as an interim land use activity.

POLICY

1. GENERAL

It is the policy of the Province of Ontario that:

1.1 All land use planning and resource management agencies within the province have regard for the implications of their actions on the availability of mineral aggregate resources to meet future local, regional and provincial needs.

1.2 Any planning jurisdiction, including municipalities and planning boards, identify and protect as much of its mineral aggregate resources as is practicable, in the context of other land use planning objectives, to supply local, regional and provincial needs.

2. OFFICIAL PLANS

It is the policy of the Province of Ontario that official plans:

2.1 Identify and protect legally existing pits and quarries from incompatible land uses.

2.2 Identify and protect from land uses, which are incompatible with possible future extraction, as much of the mineral aggregate resources occurring in the municipality as is realistically possible in the context of the municipality's other land use planning objectives, and in recognition of the continuing local, regional and provincial need for mineral aggregates.

2.3 May establish policies to permit non-aggregate land uses or developments in areas of mineral aggregate resources, which are protected in the official plan, where it can be shown that:

a) extraction would not be feasible; or

b) the proposed land use or development serves a greater long term interest of the general public than does aggregate extraction; or

c) the proposed land use or development would not significantly preclude or hinder future extraction.

2.4 Provide a clear and reasonable mechanism to permit the establishment or expansion of pits and quarries, including policies that:

a) outline any amendments that may be required to the official plan and/or zoning by-law; and

b) specify the information required and the matters to be considered by a municipality to evaluate an amendment application, including information on the protection of existing land uses and the natural environment.

2.5 Permit wayside pits and quarries without requiring an amendment to the plan or zoning by-law, except the plan may require a rezoning for a wayside pit or quarry in areas of existing development or particular environmental sensitivity which are designated in the plan.

2.6 May require rehabilitation to an after-use compatible with the long term uses permitted by the plan. *

3. ZONING BY-LAWS

It is the policy of the Province of Ontario that zoning by-laws:

3.1 Regulate all legally existing pits and quarries in such a way that these operations are a permitted activity with no uses or other activities permitted within the zoning category, that would be incompatible with mineral aggregate operations.

3.2 In those municipalities not subject to an official plan, protect mineral aggregate deposits identified by the Ministry of Natural Resources in conjunction with the municipality, by placing these lands in a zoning category which prohibits uses that are incompatible with possible future extraction.

* In parts of Ontario designated under the Pits and Quarries Control Act, rehabilitation is mandatory.

3.3 Permit wayside pits and quarries in all zoning categories, except in zones which are established to recognize existing development or areas of particular environmental sensitivity, where wayside pits and quarries may be prohibited.

IMPLEMENTATION

- In exercising any authority that affects any planning matter, the council of every municipality, every local board, every Minister of the Crown and every ministry, board, commission or agency of the government, including the Municipal Board and Ontario Hydro, shall have regard to policy statements as required under Section 3 of the Planning Act.

- The Ministry of Natural Resources, within the context of its mandate to manage mineral aggregate resources at the provincial level, will:

  a) provide all pertinent geological information, including mineral aggregate resource mapping and technical assistance, to any government body or planning authority, in particular municipalities, and assist municipalities to define and protect mineral aggregate resource areas.

  b) provide comments to planning review and approval agencies on proposed planning actions that may have implications for mineral aggregate resource development.

  c) prepare guidelines for the Ministry, municipalities and other agencies responsible for mineral aggregate resource planning and management, to assist in implementing this policy statement.

  d) undertake research programs to investigate a wide array of mineral aggregate resource management topics, including the investigation of alternative sources of supply.

  e) make representation or provide technical expertise to the Ontario Municipal Board or other appeal body, where a planning matter related to this policy statement may be an issue.

f) administer and enforce the provisions of the Pits and Quarries Control Act and the Mining Act, or successors thereto.

g) encourage the concept of extraction as an interim land use activity. Toward this end the Ministry shall:

- encourage operators of extraction sites to make the most effective use of the land resource;
- encourage sequential land use and progressive and ultimate rehabilitation with the active extraction area limited to a minimum practical size;
- encourage operation of the site in a manner as compatible as possible with surrounding land uses and activities; and
- encourage all depleted extractive sites, including wayside pits and quarries, to be returned to a condition suitable for an acceptable after use and compatible with adjacent land uses.

h) establish, in conjunction with the Ministry of Transportation and Communications, procedures for approval, operation and rehabilitation of wayside pits and quarries used to supply aggregate for projects of that Ministry.

i) encourage aggregate producers to embody the spirit of wise mineral aggregate resource management.

j) consult with ministries, public agencies, boards, authorities, and municipalities on matters pertaining to mineral aggregate resources, as may be appropriate.

- The Ministry of Municipal Affairs and the Ministry of Natural Resources will jointly administer this policy statement; as well as advise and explain its content and application to municipalities and other planning agencies.
- Other Ministries have responsibilities relating to pits and quarries and they will provide input to the planning process as appropriate.
- Existing approved official plans and zoning by-laws shall be considered with regard for this policy statement at such time as they come up for review.

MINISTRY OF LABOUR

NOTICE OF PROPOSED REGULATION

ISOCYANATES ON CONSTRUCTION PROJECTS

Notice is hereby given of the following proposed regulation relating to the designation of Isocyanates on Construction Projects under section 22(b) of the Occupational Health and Safety Act R.S.O. 1980, c. 321 (the Act).

The government is committed to an open and consultative process for the development of designated substance regulations on the basis that this is more likely to result in quality regulations which are more understandable and acceptable to the affected parties. In order to ensure the most expeditious development of this regulation, dates have been specified in the next paragraph when certain steps in the process are expected to take place. These dates will be adhered to.

All comments that are received in response to this notice will be analyzed and any proposed amendments arising from these comments will be presented at a public meeting to take place not later than October 1986, for review and further comment. The comments will be analyzed and the regulation may be further revised. It is intended that the regulation will be transmitted to the Advisory Council on Occupational Health and Occupational Safety by January 1987.

The Ministry is aware of a major survey currently underway to determine exposures to isocyanates during the application of polyurethane foam insulation. Consideration will be given by the Ministry to the results of this survey which is to be completed by September 1, 1986. If necessary, revisions will be made to the proposed regulation.

Additional background information is available for review during business hours in the Ministry of Labour Library at 400 University Avenue, 10th Floor, Toronto, Ontario, and district offices of the Ministry. If these hours are not convenient, please contact Dr. Donna Brown at the number below.

Comments on the proposed regulation or any particular sections therein must be submitted by August 6, 1986 to:

(2) This Regulation does not apply to an employer who is not primarily engaged in the business of construction and who is carrying out a project in respect of those workers employed by the employer thereon if the employer has on or before the day this Regulation is filed with the Registrar of Regulations put into effect and maintained measures and procedures to control the exposure of workers to isocyanates and has incorporated the same into an isocyanates control program in accordance with Ontario Regulation 455/83.

3. (1) Operations or work on a project in which a worker may be exposed to isocyanates are classified as follows:

(a) Type 1 operations being,

(2) Where a dispute arises as to the classification of an operation under subsection (1), a party to the dispute may notify an inspector thereof who shall investigate and give a decision in writing to the parties.

(3) Nothing in subsection (2) applies so as to affect the power of an inspector to issue an order for a contravention of this Regulation.

4. (1) Respiratory protective equipment provided by an employer and used by a worker shall,

(3) The employer shall establish written procedures regarding the selection, use and care of respirators and a copy of the procedures shall be provided to and reviewed with each worker required to wear a respirator.

(4) A worker shall not be assigned to an operation requiring the use of a respirator unless he or she is physically able to perform the operation while using the respirator.

(5) Supplied air positive pressure respirator does not include a powered air purifying positive pressure dust respirator.

(6) Compressed air used to supply supplied air respirators shall meet the purity requirements of CSA Standard Z180. 1-M1978.

Controls for Type 1 or Type 2 Operations

5. Where the operation that may cause a worker to be exposed to an isocyanate is classified as Type 1 or Type 2, the following measures and procedures shall apply:

(1) An employer shall ensure that instruction and training is provided by a competent person to every worker in,

(a) the hazards of exposure to isocyanates;

(b) the importance of proper personal hygiene;

(c) the proper care, use, cleaning and disposal of respiratory equipment; and

(d) the work practices and procedures to be used in doing the work as prescribed by this Regulation.

(3) Facilities for washing a worker's hands and face shall be made available to a worker at the project and shall be used by a worker upon completion of the work and prior to eating, drinking or smoking and on leaving the project.

(4) Eating, drinking or smoking shall be prohibited in the work area where a Type 1 or Type 2 operation is being performed.

Additional Controls - Type 1 Operations

6. Where the operation that may cause a worker to be exposed to isocyanates is classified as Type 1, in addition to the measures and procedures mentioned in section 5, non-powered air purifying

respirators equipped with filters suitable for removing organic vapours with a dust mask prefilter shall be provided by the employer and used by the worker.

Additional Controls - Type 2 Operations

7. Where the operation that may cause a worker to be exposed to isocyanates is classified as Type 2, the following measures and procedures in addition to those mentioned in section 5 shall apply:

(1) NIOSH Type C supplied air respirators operated in pressure demand or other positive pressure or continuous flow mode or self-contained breathing apparatus with a full facepiece operated in pressure demand shall be provided by the employer and used by the worker.

(2) Where workers other than those directly involved in the spraying operations may be exposed to the hazard, the spraying area shall be isolated from the rest of the project by barriers of polyethylene where walls do not exist.

(3) Coveralls shall be worn by the worker.

(4) Warning signs shall be posted in sufficient numbers to warn of the hazard and shall indicate in large letters clearly visible to a worker that,

(a) there is an isocyanate hazard; and

(b) access to the work area is restricted to a worker wearing protective equipment prescribed by section 7 of this Regulation.

8. Every employer of a worker who is exposed to isocyanates shall,

(a) where the operation is one mentioned in subclause 3(1)(b)(ii), ensure that an isocyanates work record in Form 1 is maintained for the worker and available for inspection by an inspector at the employer's place of business, and in the case of a Type 1 or Type 2 operation other than that mentioned in subclause 3(1)(b)(ii), maintained for the worker at the project and available for inspection by an inspector; and

(b) ensure that a copy of the isocyanates work record in Form 1 is provided to the worker upon termination of employment of the worker or upon request of the worker.

9. (1) Where, as a result of carrying out a Type 1 or Type 2 operation,

(a) a worker or the worker's physician has reason to believe that the worker's health has been affected by contact with or by the inhalation of isocyanates; or

(b) the employer believes that a worker has inhaled or come into contact with isocyanates and has reason to believe the worker's health is likely to be affected thereby,

the worker shall, at the expense of the employer, undergo a medical examination and clinical tests to determine whether the worker is fit, fit with limitations or unfit to work in a Type 1 or Type 2 operation.

(2) Where a dispute arises between an employer and a worker as to the medical examination or clinical tests required under subsection (1) the employer or the worker may notify an inspector thereof who shall investigate and give a decision in writing to the employer and the worker.

Note: Respirators certified by the U.S. National Institute for Occupational Safety and Health (NIOSH) or the British Standards Institution meet the requirements of sections 6 and 7.

10. The physician conducting the examination or tests, or under whose supervision the examination or tests are made, shall provide a report of the medical examination and clinical tests of a worker with the interpretation to be placed thereon,

(a) to the worker;

(b) to the worker's physician, if any; and

(c) in the case of a deceased worker, to the next of kin or personal representative of the worker, upon the request in writing of such next of kin or personal representative,

and any authorization of another person by the worker or the worker's next of kin or personal representative is of no effect.

11. (1) Where a worker is continuing to work in exposure to isocyanates the examining physician shall advise the employer, who shall act thereon, and the Chief Physician whether the worker because of a condition resulting from exposure to isocyanates, is fit with limitations or unfit, without giving or disclosing to the employer the records or results of the examination or tests.

(2) Where a medical examination or clinical test discloses that the worker may have or has a condition resulting from exposure to isocyanates, the worker is entitled to compensation in the manner and to the extent provided by the Workers' Compensation Act.

12. For the purposes of this Regulation, upon the application of an employer in writing to the Director, the measures and procedures that are to be carried out or used may vary from those prescribed in this Regulation where,

(a) the employer establishes that the variation affords adequate protection for a worker; and

(b) approval for the variance is obtained from the Director in writing before the measures and procedures as varied are carried out or used.

13. This Regulation comes into force ninety days after the day it is filed with the Registrar of Regulations.

PETITION FOR DIVORCE

TO THE RESPONDENT

A LEGAL PROCEEDING FOR A DIVORCE HAS BEEN COMMENCED AGAINST YOU by the petitioner. The claim made against you appears on the following pages.

IF YOU WISH TO DEFEND THIS PROCEEDING, you or an Ontario lawyer acting for you must prepare an answer in Form 70D prescribed by the Rules of Civil Procedure, serve it on the petitioner's lawyer or, where the petitioner does not have a lawyer, serve it on the petitioner, and file it, with proof of service, in this court office, WITHIN TWENTY DAYS after this petition is served on you, if you are served in Ontario.

If you are served in another province or territory of Canada or in the United States of America, the period for serving and filing your answer is forty days. If you are served outside Canada and the United States of America, the period is sixty days.

Instead of serving and filing an answer, you may serve and file a notice of intent to defend in Form 70J prescribed by the Rules of Civil Procedure. This will entitle you to ten more days within which to serve and file your answer.

If this petition for divorce contains a claim for support or a division of property, you must serve and file a financial statement in Form 70K prescribed by the Rules of Civil Procedure within the time set out above for serving and filing your answer, whether or not you wish to defend this proceeding. If you serve and file an answer, your financial statement must accompany your answer.

IF YOU FAIL TO SERVE AND FILE AN ANSWER, A DIVORCE MAY BE GRANTED IN YOUR ABSENCE AND WITHOUT FURTHER NOTICE TO YOU, JUDGMENT MAY BE GRANTED AGAINST YOU ON ANY OTHER CLAIM IN THIS PETITION AND YOU MAY LOSE YOUR RIGHT TO SUPPORT OR DIVISION OF PROPERTY.

NEITHER SPOUSE IS FREE TO REMARRY until a divorce has been granted and has taken effect. Once a divorce has taken effect, you may obtain a certificate of divorce from this court office.

(4) Si un état financier doit être déposé ou remis avec la requête en divorce ou la requête reconventionnelle en divorce, ou avec la défense à l'une de ces requêtes, le greffier n'accepte pas ces documents aux fins de délivrance ou de dépôt s'ils ne sont pas accompagnés d'un état financier.

Devoir de l'intimé de déposer un état financier même s'il ne s'oppose pas à la demande

(5) Le conjoint intimé qui n'a pas l'intention de s'opposer à une demande d'aliments ou de partage de biens remet quand même un état financier dans le délai prescrit pour la remise de la défense ou de la défense à la reqûete reconventionnelle. Le défaut du conjoint intimé de se conformer à cette disposition n'empêche toutefois pas le requérant d'inscrire l'action pour instruction ou de présenter une motion en vue d'obtenir un jugement.

Ordonnance prescrivant la remise d'un état financier

(6) Si le conjoint intimé ne remet pas d'état financier dans le délai prescrit pour la remise de la défense ou de la défense à la requête reconventionnelle, le tribunal peut, à la suite d'une motion présentée sans préavis, rendre une ordonnance exigeant la remise d'un état financier dans un délai précisé.

(7) Si la garde d'un enfant est demandée dans l'action, le tribunal peut ordonner que les parties remettent des états financiers (version abrégée) (formule 70M) dans un délai précisé.

Obligation de remettre un état financier précis

(8) Si l'état financier remis par un conjoint n'est pas suffisamment précis, l'autre conjoint peut exiger des précisions supplémentaires. Si le premier conjoint ne fournit pas ces précisions dans un délai de sept jours, le tribunal peut, à des conditions justes :

a) soit ordonner que les précisions soient remises dans un délai précisé;

b) soit radier l'état financier et ordonner qu'un nouvel état financier soit remis dans un délai précisé.

Sanctions pour défaut de remettre un état financier ou de donner des précisions

(9) Si un conjoint ne se conforme pas à une ordonnance de remise d'un état financier, d'un nouvel état financier ou de précisions :

a) le tribunal peut rejeter l'action du conjoint ou radier sa défense;

b) un juge peut le condamner pour outrage au tribunal.

Contre-interrogatoire sur l'état financier

(10) Un conjoint peut contre-interroger l'autre conjoint sur l'état financier de celui-ci.

(11) Le contre-interrogatoire sur l'état financier peut être utilisé :

a) dans une motion visant à obtenir des mesures de redressement provisoires;

b) au procès, de la même façon qu'un interrogatoire préalable.

(12) À moins d'obtenir l'autorisation du tribunal, le conjoint qui a inscrit l'action pour instruction ou qui a consenti à ce qu'elle soit inscrite au rôle ne peut contre-interroger l'autre conjoint avant le procès sur l'état financier de celui-ci. Il n'est toutefois pas dispensé des obligations que lui imposent les paragraphes (13) à (15).

Devoir de corriger l'état financier et les réponses données au contre-interrogatoire

(13) Le conjoint qui a remis un état financier et qui apprend ultérieurement :

a) soit qu'un renseignement figurant à l'état financier ou qu'une réponse au contre-interrogatoire étaient inexacts ou incomplets au moment où ils ont été donnés;

b) soit qu'il y a eu un changement important en ce qui concerne un renseignement qui figure à l'état financier,

communique sans délai et par écrit le renseignement additionnel ou corrigé à l'autre conjoint. Les paragraphes 31.09 (2) et (3) (correction des réponses et sanctions pour défaut de le faire) s'appliquent, avec les adaptations nécessaires.

(14) Le conjoint qui a remis un état financier en remet un nouveau sept jours au moins avant l'instruction de l'action. Il ne peut toutefois pas être contre-interrogé sur le nouvel état financier avant l'instruction, sauf avec l'autorisation du tribunal.

État des biens familiaux nets

(15) Si le partage de biens est demandé dans l'action, chaque conjoint remet un état des biens familiaux nets (formule 70N) au moins sept jours avant chacun des événements suivants :

1. Une conférence préparatoire au procès.

2. Une motion en vue d'obtenir un jugement.

3. Le procès.

MESURES DE REDRESSEMENT PROVISOIRES

Avis de motion

70.15 (1) L'avis de la motion pour obtenir des mesures de redressement provisoires précise les mesures de redressement demandées, y compris le montant des aliments demandés pour chaque personne à charge.

Conférence préparatoire à l'audition de la motion

(2) Lors de l'audition de la motion, le tribunal peut ordonner la tenue d'une conférence préparatoire afin d'examiner la possibilité de résoudre une ou plusieurs des questions soulevées par la motion ou l'action.

(3) Sauf ordonnance contraire du juge ou du protonotaire qui préside la conférence, les dépens de la conférence préparatoire font partie des dépens de l'action.

(4) Le juge ou l'officier de justice qui préside la conférence préparatoire visée au paragraphe (2) ne préside pas l'audition d'une motion pour obtenir des mesures de redressement provisoires, ni le procès, ni un renvoi ordonné dans l'action, ni l'audition d'une motion en vue d'obtenir un jugement. Toutefois, si la conférence préparatoire a résolu toutes les questions en litige dans l'action, un juge qui l'a présidée peut, avec le consentement des parties, présider l'audition d'une motion en vue d'obtenir un jugement.

Offre écrite de transaction et dépens de la motion pour obtenir des mesures de redressement provisoires

(5) Dans l'exercice de son pouvoir discrétionnaire d'adjudication des dépens, le juge ou l'officier de justice qui entend une motion pour obtenir des mesures de redressement provisoires prend en considération l'offre écrite de transaction sur la motion ou le défaut d'avoir fait une telle offre.

Défaut de se conformer à une ordonnance provisoire

(6) Si une partie ne se conforme pas à une ordonnance accordant des mesures de redressement provisoires et que le tribunal est convaincu qu'elle est en mesure de s'y conformer, il peut différer l'instruction de l'action ou radier les affidavits ou les actes de procédure remis par la partie en défaut.

ENFANTS

Champ d'application de la règle

70.16 (1) Les paragraphes (2) à (9) s'appliquent s'il existe un enfant à charge au sens de l'article 2 de la Loi.

Obligation d'identifier les enfants

(2) Le nom et la date de naissance de chacun des enfants à charge sont mentionnés dans la requête en divorce ou la requête reconventionnelle en divorce.

Signification des documents au Tuteur public

(3) La requête en divorce ou la requête reconventionnelle en divorce ainsi que l'état financier sont signifiés au Tuteur public, à Toronto, par la poste, par voie de signification à personne ou par l'un des modes de signification directe prévus à la règle 16.03, aussitôt après leur signification au conjoint intimé.

(4) Les autres actes de procédure et états financiers sont signifiés au Tuteur public dans le délai prescrit par les présentes règles pour leur signification aux parties.

Rapport du Tuteur public

(5) Le rapport du Tuteur public visé à l'article 125 de la *Loi de 1984 sur les tribunaux judiciaires*, ainsi que les affidavits à l'appui, le cas échéant, sont signifiés par le Tuteur public, sous réserve du paragraphe 125 (6) de cette loi (paiement des frais) :

a) au procureur de chacun des conjoints;

b) au conjoint agissant en son propre nom,

dans les soixante jours de la signification au Tuteur public de la requête en divorce ou de la requête reconventionnelle en divorce, selon le cas. Le Tuteur public dépose sans délai une copie du rapport et des affidavits à l'appui, le cas échéant, avec la preuve de leur signification, au greffe où la requête a été délivrée.

(6) Un conjoint peut contester une partie du rapport ou des affidavits à l'appui en signifiant à l'autre conjoint et au Tuteur public, à Toronto, un exposé concis de la nature de la contestation et en le déposant, avec la preuve de sa signification, dans les quinze jours de la signification du rapport.

(7) L'instruction d'une action en divorce ne peut commencer avant :

a) le dépôt de toutes les contestations ou l'expiration du délai imparti pour déposer des contestations;

b) le dépôt, par les conjoints, d'une renonciation (formule 700) au droit de contester le rapport du Tuteur public.

(8) La personne qui a effectué l'enquête sur laquelle se fonde le rapport ne peut être interrogée qu'au procès.

Droit du Tuteur public de procéder à une enquête préalable

(9) Le Tuteur public a le droit de procéder à une enquête préalable sur une question concernant la garde, les aliments ou l'éducation d'un enfant ou un droit de visite à l'enfant auquel la présente règle s'applique, que cette question soit ou non en litige dans l'action.

DÉSIGNATION DU LIEU DU PROCÈS ET DU JUGE D'INSTRUCTION

70.17 (1) Le requérant indique dans la requête, à titre de lieu du procès, un lieu où le tribunal siège habituellement dans le comté où le requérant propose que l'action soit instruite.

(2) Le requérant qui demande la garde d'un enfant qui réside ordinairement en Ontario, ou le droit de visite à l'égard de cet enfant, indique dans la requête, à titre de lieu du procès, un lieu où le tribunal siège habituellement dans le comté où l'enfant réside ordinairement.

(3) Le procès se déroule au lieu indiqué dans la requête, à moins qu'une ordonnance de changement du lieu du procès ne soit rendue en vertu de la règle 46.03.

(5) Le requérant ou l'intimé qui a remis une défense peut, avant le début du procès, demander par voie de motion :

b) à un juge de la Haute Cour ou un juge local, qu'il ordonne que l'action soit instruite par un juge local plutôt que par un juge de la Haute Cour. Si l'action est contestée, cette ordonnance ne peut être rendue qu'avec le consentement de toutes les parties.

CERTIFICATS DE MARIAGE ET DE REQUÊTES EN INSTANCE ANTÉRIEURES

70.18 L'instruction d'une action en divorce ne peut commencer et une motion en vue d'obtenir un jugement dans une action en divorce ne peut être entendue tant que le greffier n'a pas reçu et annexé au dossier d'instruction ou de motion :

a) d'une part, un certificat du mariage ou de son enregistrement, sauf si la requête précise qu'il est impossible d'obtenir le certificat;

b) d'autre part, un certificat ou un rapport délivré en application du Règlement sur le divorce (Canada) après le dépôt de la requête et concernant les requêtes en instance introduites antérieurement par l'un ou l'autre conjoint.

MOTION EN VUE D'OBTENIR UN JUGEMENT

Réquisition et avis de motion

70.19 (1) La réquisition visant à constater le défaut de l'intimé et l'avis de la motion en vue d'obtenir un jugement dans une action en divorce en vertu du paragraphe 19.05 (1) (motion en vue d'obtenir un jugement par défaut) sont mis ensemble dans un même document (formule 70P).

Affidavit du requérant

(2) L'affidavit du requérant à l'appui de la motion (formule 70Q) :

réconciliation entre les conjoints est manifestement contre-indiqué à cause des circonstances de l'espèce;

b) confirme que les renseignements contenus dans la requête sont exacts, sauf les exceptions précisées dans l'affidavit;

c) si le certificat du mariage ou de son enregistrement déposé lors de l'action n'a pas été signé et scellé par le registraire général de l'Ontario, identifie ce certificat en précisant ses titre, date et lieu de délivrance ainsi que le nom et le poste de la personne qui l'a délivré, et indique que les renseignements que ce certificat contient relativement au mariage sont exacts;

d) s'il n'a pas été déposé de certificat du mariage ou de son enregistrement, indique les faits suivants :

(i) les démarches qu'on a pris en vue d'obtenir un certificat, et la raison de l'impossibilité d'en obtenir un,

(iii) des précisions qui suffisent à établir l'existence du mariage;

e) donne des précisions quant à la cause du divorce;

f) indique qu'il n'existe aucune entente ni aucun complot, accord ou arrangement auxquels le requérant est partie, directement ou indirectement, en vue de déjouer l'administration de la justice, de fabriquer ou de supprimer des éléments de preuve ou de tromper le tribunal;

g) si le requérant se fonde sur l'adultère ou sur la cruauté de l'intimé, indique qu'il n'y a pas eu de pardon ou de connivence de la part du requérant ou, s'il y a eu pardon ou connivence, précise les circonstances en raison desquelles l'intérêt public serait mieux servi si le divorce était prononcé;

h) donne des précisions au sujet des arrangements existants et proposés concernant la garde des enfants à charge et le droit de visite, si ces arrangements sont différents de ceux qui sont énoncés dans la requête;

i) si le requérant demande des aliments, donne des précisions au sujet de ses besoins et des besoins des enfants ainsi que des ressources de l'intimé, se rapportant aux états financiers déposés lors de l'action, et précise les modifications de la situation qui ont eu lieu, le cas échéant, depuis le dépôt des états financiers;

j) si le requérant ne demande pas de partage de biens, confirme qu'il ne désire pas présentement demander le partage de biens et indique qu'il sait qu'il peut perdre le droit de demander ce partage après le divorce;

k) si le requérant désire faire inclure dans le jugement du tribunal des clauses d'un consentement, d'une transaction, d'un accord de séparation ou d'un jugement antérieur, fait référence au document visé, en tant que pièce, et aux clauses précises qu'il désire faire inclure;

l) si le requérant demande des dépens, énonce des faits qui permettront au tribunal de décider si des dépens devraient être accordés;

m) si le requérant désire que le divorce prenne effet avant le trente et unième jour suivant la date où il est prononcé, énonce les circonstances particulières qui justifient que le divorce prenne effet dans un délai plus court, indique que les conjoints ont convenu de ne pas interjeter appel du jugement et fait référence à leur accord à cet effet, en tant que pièce;

n) donne la dernière adresse connue du conjoint intimé et indique la source de ce renseignement.

(3) L'affidavit de l'intimé à l'appui de la motion (formule 70R) :

a) indique que l'intimé est le conjoint du requérant;

b) indique le domicile élu de l'intimé aux fins de la signification du jugement;

c) si le requérant se fonde sur l'adultère de l'intimé et que l'intimé est prêt à avouer l'adultère, indique qu'il sait qu'il n'est pas obligé de témoigner à cet effet, mais qu'il est disposé à le faire;

d) contient les points mentionnés aux alinéas (2) a), b), f), g), h) et i);

e) si l'intimé ne demande pas de partage de biens, confirme qu'il ne désire pas demander ce partage présentement et qu'il sait qu'il peut perdre le droit de demander ce partage après le divorce.

Cas où le requérant reconventionnel présente la motion

(4) Si la motion en vue d'obtenir le jugement est présentée par le requérant reconventionnel, les paragraphes (2) et (3) (affidavits du requérant et de l'intimé)

s'appliquent. Les renvois à la requête et au requérant sont réputés des renvois à la requête reconventionnelle et au requérant reconventionnel.

Affidavit de la personne complice de l'adultère

(5) Si l'on allègue que le conjoint intimé a commis l'adultère avec une personne et que cette personne est prête à avouer l'adultère et dépose un affidavit à l'appui de la motion, l'affidavit indique que la personne sait qu'elle n'est pas obligée de témoigner que le conjoint intimé a commis l'adultère avec elle, mais qu'elle est disposée à le faire.

Témoignage oral lors de l'audition de la motion

(6) Le requérant ou le requérant reconventionnel peut interroger des témoins lors de l'audition de la motion, au lieu de déposer un affidavit à l'appui de la motion ou en plus de cet affidavit. Dans ce cas, le paragraphe 39.03 (3) (autorisation d'interroger un témoin à l'audience) ne s'applique pas.

Projet de jugement

(7) L'auteur de la motion dépose, avec l'avis de la motion, quatre copies d'un projet de jugement de divorce (formule 70S) et des enveloppes affranchies portant l'adresse de chacune des parties, ainsi qu'une enveloppe affranchie portant l'adresse du Tuteur public, si ce dernier a préparé un rapport dans le cadre de l'action.

Le greffier présente la motion à un juge

(8) Le greffier présente à un juge l'avis de la motion ainsi que les preuves déposées à l'appui.

(9) Avant de présenter la motion à un juge, le greffier examine l'avis de la motion, les preuves déposées à l'appui et le projet de jugement de divorce, et remplit ensuite le certificat du greffier (formule 70T).

Jugement

(10) Si le juge prononce le jugement à la suite de la motion conformément au projet déposé, le greffier signe le jugement sans délai, l'inscrit et en envoie une copie dans chacune des enveloppes visées au paragraphe (7).

(11) Si le juge se propose de prononcer le jugement à la suite de la motion, mais non pas conformément au projet déposé, il entend les observations présentées au nom de l'auteur de la motion, ou ajourne la motion à cette fin.

AJOURNEMENT DU PROCÈS

Reprise après l'ajournement

70.20 (1) Si, avant l'audition de la preuve, un juge ajourne le procès aux termes du paragraphe 10 (2) de la Loi, une motion visant la reprise du procès aux termes du paragraphe 10 (3) de la Loi peut être présentée à tout juge.

(2) Si, après le début de l'audition de la preuve, le juge ajourne le procès aux termes du paragraphe 10 (2) de la Loi, la motion visant la reprise du procès aux termes du paragraphe 10 (3) de la Loi ne peut être présentée qu'au même juge.

Avis au procureur général

(3) Le juge qui instruit une action en divorce peut ajourner le procès pour n'importe quelle raison et le reporter à des date, heure et lieu justes. Il peut, si cela est justifié, ordonner au greffier d'aviser sans délai le procureur général de l'existence de l'instance, de l'état de celle-ci et des raisons pour lesquelles il ordonne que l'avis lui soit donné.

(4) Si l'avis est ainsi donné, le procureur général peut se présenter au procès ajourné par l'intermédiaire d'un avocat, présenter des observations et participer autrement à l'instance dans la mesure autorisée par le juge.

RENVOI À UN COMMISSAIRE AU DROIT DE LA FAMILLE

70.21 (1) Un juge siégeant à Toronto ou à Ottawa peut, avec le consentement des parties, ordonner le renvoi à un commissaire au droit de la famille, aux fins d'enquête et de rapport, d'une question concernant les aliments ou la garde d'un enfant ou un droit de visite qui est soulevée lors de l'action.

(2) Si un renvoi est ordonné aux termes du paragraphe (1), le commissaire tient une enquête sur la question qui fait l'objet du renvoi et prépare un rapport.

(3) Le rapport ne peut être confirmé qu'après la présentation d'une motion :

a) à un juge de la Haute Cour, si un juge de la Haute Cour a ordonné le renvoi;

b) à un juge local, si un juge local a ordonné le renvoi;

c) au juge qui a ordonné le renvoi, si l'ordonnance de renvoi l'ordonne.

Le juge peut demander au commissaire de motiver ses conclusions et il peut confirmer le rapport, en tout ou en partie, ou rendre une autre ordonnance juste.

CERTIFICAT DE DIVORCE

70.22 Le greffier du greffe où l'action en divorce a été introduite délivre un certificat de divorce (formule 70U) quand les conditions suivantes sont remplies :

a) le divorce a pris effet;

b) il a été déposé auprès du greffier une réquisition, accompagnée d'un affidavit postérieur à la prise d'effet du divorce et qui indique les faits suivants :

(i) aucun appel du divorce n'est en cours, ou l'appel a fait l'objet d'un désistement ou d'un rejet,

(ii) il n'a pas été rendu d'ordonnance de prorogation du délai fixé pour l'appel, ou le délai ainsi prorogé a expiré et il n'a pas été interjeté appel;

c) le greffier a examiné les dossiers du tribunal et s'est assuré qu'il n'existe aucune indication que l'affidavit est inexact.

AVIS D'APPEL AU GREFFIER

70.23 Après le dépôt d'un avis d'appel d'un jugement de divorce ou après qu'une ordonnance prorogeant le délai pour interjeter appel a été rendue, le greffier de la Cour d'appel avise sans délai le greffier du greffe où l'action a été introduite.

MODIFICATION D'UNE ORDONNANCE DÉFINITIVE ACCORDANT DES MESURES ACCESSOIRES

Par voie de requête

70.24 (1) La personne qui désire faire modifier, suspendre ou annuler, aux termes de l'article 17 de la Loi, une ordonnance accordant des aliments, la garde d'un enfant ou un droit de visite, ou qui désire obtenir une telle ordonnance après le divorce, présente un avis de requête.

État financier

(2) Si la requête visé au paragraphe (1) a trait à des aliments, l'auteur de la requête signifie et dépose avec l'avis de la requête un état financier (version abrégée) (formule 70M) et un avis enjoignant de déposer un état financier (formule 70V). L'intimé remet avec son avis de comparution un état financier (version abrégée) (formule 70M).

(3) L'intimé qui n'a pas l'intention de présenter une défense à la requête remet quand même, dans le délai prescrit pour remettre l'avis de comparution, un état financier (version abrégée) (formule 70M). Le défaut de l'intimé de se conformer à cette disposition n'empêche toutefois pas le requérant d'obtenir une audience.

(4) Si l'intimé ne se conforme pas à l'avis enjoignant de déposer un état financier, le requérant peut présenter une motion sans préavis en vue d'obtenir une ordonnance exigeant que l'intimé remette un état financier dans un délai précisé.

(5) Si un état financier doit être déposé ou remis aux termes du paragraphe (2) ou (3), le greffier n'accepte ni l'avis de la requête ni l'avis de comparution aux fins de délivrance ou de dépôt sans l'état financier.

(6) Lors d'une requête dans laquelle il est présenté une demande ayant trait à la garde d'un enfant, le tribunal peut ordonner que les parties remettent des états financiers dans un délai précisé.

Contenu de l'affidavit à l'appui

(7) L'affidavit à l'appui de la requête indique :

b) l'état civil actuel des parties;

d) des précisions au sujet des arrangements actuels quant à la garde et au droit de visite, et au sujet des modifications proposées, le cas échéant;

e) des précisions au sujet des arrangements actuels quant aux aliments et au sujet des modifications proposées, le cas échéant;

f) des précisions au sujet de l'arriéré, le cas échéant, en ce qui concerne les aliments accordés par une ordonnance ou dans un accord;

g) des précisions au sujet des démarches entreprises, le cas échéant, en vue d'obtenir le règlement des questions en litige par voie de médiation, et au sujet d'une évaluation, le cas échéant, faite en ce qui concerne la garde ou la visite.

Modification interprovinciale

(8) Lors d'une requête visée au paragraphe 18 (2) de la Loi (ordonnance conditionnelle), sauf ordonnance contraire du tribunal, les témoignages d'une personne qui se trouve en Ontario sont présentés par voie d'affidavit.

(9) Le registraire fait signifier l'avis de l'audience portant sur la confirmation de l'ordonnance conditionnelle visée au paragraphe 19 (2) de la Loi (formule 70W) ainsi que les autres documents visés à ce paragraphe aux personnes suivantes :

a) à l'intimé, de la même manière qu'un acte introductif d'instance;

b) au requérant, par courrier.

(10) L'intimé visé par la requête mentionnée au paragraphe 18 (2) de la Loi dépose et signifie un état financier (version abrégée) (formule 70M) dans les dix jours de la signification de l'avis de l'audience portant sur la confirmation de l'ordonnance conditionnelle.

(11) Si un tribunal à l'extérieur de l'Ontario renvoie une instance en modification à un tribunal en Ontario pour faire recueillir des éléments supplémentaires de preuve, le greffier fait signifier aux parties, par cour-

rier, un avis exigeant des éléments supplémentaires de preuve (formule 70X).

(12) Si un tribunal en Ontario reçoit des éléments supplémentaires de preuve d'un tribunal à l'extérieur de l'Ontario aux termes du paragraphe 18 (6) ou 19 (6) de la Loi, le greffier fait signifier aux parties, par courrier, un avis de reprise de l'audience (formule 70Y).

(13) Le greffier accomplit les fonctions que les paragraphes 18 (3) et (6) et 19 (3) et (12) de la Loi confèrent au tribunal ou à un fonctionnaire du tribunal (communication et dépôt de documents).

La requête n'est pas déférée

(14) Si la requête visée au paragraphe (1) de la présente règle ou au paragraphe 18 (2) de la Loi est présentée à un juge local, les paragraphes 38.03 (2) et (3) (requête déférée à un juge de la Haute Cour) ne s'appliquent pas.

ENREGISTREMENT DES ORDONNANCES ACCORDANT DES MESURES ACCESSOIRES ET PROVENANT D'AUTRES PROVINCES

70.25 (1) L'ordonnance rendue en vertu de l'article 15 ou 16 de la Loi par un tribunal à l'extérieur de l'Ontario peut être enregistrée en vertu de l'alinéa 20 (3) a) de la Loi en en déposant une copie certifiée conforme auprès du greffier local à Toronto. L'ordonnance est ensuite inscrite comme s'il s'agissait d'une ordonnance du tribunal.

(2) La copie certifiée conforme de l'ordonnance peut être déposée auprès du greffier local à Toronto en la lui envoyant par courrier ordinaire, accompagnée d'une demande écrite que l'ordonnance soit enregistrée en vertu de l'alinéa 20 (3) a) de la Loi.

11. La règle 71.03, telle qu'elle est adoptée de nouveau par l'article 1 du Règlement de l'Ontario 221/86, et les règles 71.04 et 71.05, telles qu'elles sont modifiées par l'article 1 du Règlement de l'Ontario 221/86, sont abrogées et remplacées par ce qui suit :

ACTE INTRODUCTIF D'INSTANCE

Demande de redressement

71.03 (1) L'acte introductif d'instance qui contient une demande d'aliments ou de partage de biens précise la nature et le montant du redressement demandé. Dans le cas d'une demande d'aliments, le requérant précise le montant relatif à chaque personne à charge.

Requête présentée par un organisme gouvernemental

(2) Si le ministère des Services sociaux et communautaires, une municipalité, un bureau de district pour l'administration de l'aide sociale ou une bande agit comme requérant en vue d'obtenir une ordonnance alimentaire à l'égard d'une personne à charge en vertu du paragraphe 33 (3) de la *Loi de 1986 sur le droit de la famille*, l'acte introductif d'instance est signifié à cette personne.

ÉTATS FINANCIERS

État financier du requérant

71.04 (1) La partie qui désire obtenir une ordonnance en vertu de l'article 7 (partage de biens), de l'article 33 (aliments) ou de l'article 37 (examen et modification des ordonnances alimentaires) de la *Loi de 1986 sur le droit de la famille* dépose et signifie avec l'acte introductif d'instance un état financier (formule 70K) ainsi qu'un avis enjoignant de déposer un état financier (formule 70V).

(2) Si l'acte introductif d'instance est un avis d'action, l'état financier est remis avec la déclaration.

État financier de l'intimé

(3) L'intimé qui a reçu signification de l'état financier du requérant remet le sien avec son document de défense.

(4) L'intimé qui n'a pas l'intention de présenter de défense remet quand même un état financier dans le délai prescrit pour la remise de son document de défense. Son défaut de se conformer à cette disposition n'empêche toutefois pas le requérant de faire instruire l'instance ou de présenter une motion en vue d'obtenir un jugement.

Devoir du greffier de refuser les documents qui ne sont pas accompagnés d'états financiers

(5) Si un état financier doit être remis ou déposé avec l'acte introductif d'instance, la déclaration ou le document de défense, le greffier n'accepte pas ces documents aux fins de délivrance ou de dépôt s'ils ne sont pas accompagnés d'un état financier.

Ordonnance portant sur la remise de l'état financier

(6) Si l'intimé ne se conforme pas à l'avis enjoignant de déposer un état financier, le requérant peut exiger, par voie de motion présentée sans préavis, une ordonnance enjoignant à l'intimé de remettre un état financier dans un délai précisé.

(7) Si la garde d'un enfant est demandée dans l'action, le tribunal peut ordonner que les parties remettent des états financiers (version abrégée) (formule 70M) dans un délai précisé.

Application des paragraphes 70.14 (8) à (14)

(8) Les paragraphes 70.14 (8) à (14) (précisions supplémentaires, défaut de remettre l'état financier, contre-interrogatoire, devoir de corriger l'état financier) s'appliquent, avec les adaptations nécessaires, aux états financiers visés aux paragraphes (1) à (7).

(10) Si une demande en vertu de la *Loi de 1986 sur le droit de la famille* ou de la *Loi portant réforme du droit de l'enfance* est présentée dans une action en divorce, les obligations des conjoints relativement aux états financiers sont régies par la règle 70.14.

LIEU DE L'AUDIENCE

71.05 (1) Le requérant qui demande la garde d'un enfant qui réside ordinairement en Ontario, ou un droit de visite relativement à cet enfant, indique dans l'acte introductif d'instance, à titre de lieu de l'audience, un lieu où le tribunal siège habituellement dans le comté où l'enfant réside ordinairement.

(2) Si une demande mentionnée au paragraphe (1) est présentée dans une action en divorce, le lieu du procès est régi par la règle 70.17.

(3) L'audience est tenue au lieu indiqué dans l'acte introductif d'instance, à moins qu'une ordonnance de changement du lieu de l'audience ne soit rendue en vertu de la règle 46.03. Pour les besoins du changement du lieu de l'audience, une requête est assimilée à une action.

12. La formule 4A est modifiée par substitution, à "formule 70F" à la ligne qui précède l'avant-dernière ligne, de "formule 70G".

13. Les formules 70A à 70Q sont abrogées et remplacées par ce qui suit :

REMARQUE RELATIVE AUX FORMULES 70A À 71B

Dans les formules 70A à 70Y et 71B, ajouter aux désignations formelles des parties (par exemple "requérant", "intimé"), à l'intitulé de l'instance, leur qualité d'époux ou d'épouse. Il est alors possible de faire référence aux parties, dans le texte du document, en parlant simplement de "l'époux" et de "l'épouse".

REQUÊTE EN DIVORCE

À L'INTIMÉ

UNE INSTANCE EN DIVORCE A ÉTÉ INTRODUITE CONTRE VOUS par le requérant. La demande faite contre vous est exposée aux pages suivantes.

SI VOUS DÉSIREZ PRÉSENTER UNE DÉFENSE À L'INSTANCE, vous-même ou un avocat de l'Ontario vous représentant devez préparer une défense à la requête en divorce selon la formule 70D prescrite par les Règles de procédure civile, la signifier à l'avocat du requérant ou, si ce dernier n'a pas retenu les services d'un avocat, au requérant lui-même et la déposer, accompagnée de la preuve de sa signification, à ce greffe, DANS LES VINGT JOURS après que vous avez reçu signification de la présente requête, si la signification vous est faite en Ontario.

Si la signification vous est faite dans une autre province ou un territoire du Canada ou aux États-Unis d'Amérique, vous avez quarante jours pour signifier et déposer votre défense. Si la signification vous est faite en dehors du Canada et des États-Unis d'Amérique, le délai est de soixante jours.

Au lieu de signifier et de déposer une défense, vous pouvez signifier et déposer un avis d'intention de présenter une défense selon la formule 70J prescrite par les Règles de procédure civile. Vous aurez dans ce cas dix jours de plus pour signifier et déposer votre défense à la requête en divorce.

Si cette requête en divorce comprend une demande d'aliments ou de partage de biens, vous devez signifier et déposer un état financier selon la formule 70K prescrite par les Règles de procédure civile, dans le délai imparti ci-dessus pour la signification et le dépôt de votre défense à la requête en divorce, que vous désiriez ou non présenter une défense à la requête. Si vous signifiez et déposez une défense à la requête en divorce, vous devez y joindre votre état financier.

SI VOUS NE SIGNIFIEZ NI NE DÉPOSEZ DE DÉFENSE À LA REQUÊTE EN DIVORCE, UN DIVORCE PEUT ÊTRE RENDU EN VOTRE ABSENCE SANS QUE VOUS RECEVIEZ D'AUTRE AVIS, UN JUGEMENT PEUT ÊTRE RENDU CONTRE VOUS AU SUJET D'UNE AUTRE DEMANDE INCLUSE DANS LA PRÉSENTE REQUÊTE ET VOUS POUVEZ PERDRE VOTRE DROIT AUX ALIMENTS OU AU PARTAGE DE BIENS.

LES CONJOINTS NE SONT PAS LIBRES DE SE REMARIER tant qu'un divorce n'a pas été rendu et n'a pas pris effet. Quand le divorce aura pris effet vous pourrez vous procurer un certificat de divorce de ce greffe.

58*i*.—(1) In an undefended application, any evidence or information required to enable the Court to perform its duties under subsections 10 (1) and 11 (1) of the *Divorce Act, 1985* (Canada) (reconciliation and bars to divorce) and the evidence at the hearing may be presented by affidavit, unless the Court orders otherwise.

(2) Where the evidence and information referred to in subrule (1) are to be presented by affidavit, the clerk shall prepare a certificate in Form 22D and submit the certificate, the application, the affidavit in support of it and the draft judgment to a judge.

(3) The affidavit of the applicant in support of the application shall,

(*a*) contain sufficient information for the court to satisfy itself,

(i) that there is no possibility of the reconciliation of the spouses, or

(ii) that the circumstances of the case are of such a nature that it would clearly not be appropriate for the court to consider the possibility of the reconciliation of the spouses;

(*b*) confirm that all the information in the application is correct, except as specified in the affidavit;

(*c*) if the certificate of marriage or of registration of marriage filed is not signed and sealed by the Registrar General of Ontario, refer to the certificate by its title, date and place of issue and the name and office of the person who issued it and state that it contains the correct particulars of the marriage;

(*d*) if no certificate of marriage or of registration of marriage has been filed, state,

(ii) the date and place of marriage, and

(iii) sufficient particulars to prove the marriage;

(*e*) set out particulars of the grounds for divorce;

(*f*) state that there has been no agreement, conspiracy, understanding or arrangement to which the applicant is either directly or indirectly a party for the purpose of subverting the administration of justice, fabricating or suppressing evidence or deceiving the court;

(*g*) if the applicant is relying on the respondent's adultery or cruelty, state that the applicant has not condoned or connived at the act or conduct complained of, or if there has been condonation or connivance, set out the circumstances that indicate that the public interest would be better served by granting the divorce;

(*h*) provide particulars of the present and proposed custody and access arrangements in respect of each child of the marriage, if different from those set out in the petition;

(*i*) if the applicant claims support, provide particulars of his or her and the children's needs and of the respondent's means, with reference to the financial statements filed and set out particulars of any change in circumstances since the financial statements were filed;

(*j*) if the applicant does not claim a division of property, confirm that he or she does not wish to claim a division of property at this time and state that he or she is aware that a claim for a division of property may be barred after the divorce;

(*k*) if the applicant wishes to include in the order terms of a consent, settlement, separation agreement or previous court order, refer to the document as an exhibit and refer to the specific provisions to be included;

(*l*) if the applicant claims costs, set out sufficient facts to enable the court to determine whether costs should be awarded;

(*m*) if the applicant seeks to have the divorce take effect earlier than thirty-one days after it is granted, set out the special circumstances that justify the earlier effective date, state that the spouses have agreed that no appeal will be taken from the order and refer to the agreement as an exhibit; and

(*n*) provide the respondent spouse's last known address.

(4) An affidavit made by a respondent spouse in support of the application shall,

(*a*) state that the respondent is the applicant's spouse;

(*b*) provide the respondent's address for service of the order;

(*c*) if the applicant is relying on the respondent's adultery and the respondent is prepared to admit the adultery, state that the respondent is aware that he or she is not obliged to give evidence that he or she has committed adultery, but that he or she is willing to give that evidence;

(*d*) contain the matters referred to in clauses (*a*), (*b*), (*f*), (*g*), (*h*) and (*i*) of subrule (3); and

(*e*) if the respondent does not claim a division of property, confirm that he or she does not wish to claim a division of property at this time and state that he or she is aware that a claim for a division of property may be barred after the divorce.

(5) If the respondent asks for a divorce, subrules (3) and (4) apply and references to the application and applicant shall be deemed to be references to the answer and respondent.

(6) Where a person with whom a respondent spouse is alleged to have committed adultery is prepared to admit the adultery and files an affidavit in support of the application, the affidavit shall state that the person is aware that he or she is not obliged to give evidence that the respondent spouse committed adultery with him or her, but that he or she is willing to give that evidence.

(7) At the hearing of an undefended divorce application where the evidence and information referred to in subrule (1) are to be presented by affidavit, the Court may,

(*a*) grant a divorce without an appearance by counsel or the applicant; or

(*b*) direct that counsel or the applicant appear or that oral evidence be presented. O. Reg. 324/86, s. 12, *part*.

58*j*. A judgment granting a divorce shall be in Form 22E. O. Reg. 324/86, s. 12, *part*.

O. Reg. 324/86, s. 12, *part*.

58*l*. If a divorce is granted in accordance with the draft judgment filed, the clerk shall forthwith sign the judgment and mail a copy of it in each envelope provided under rule 58*k*. O. Reg. 324/86, s. 12, *part*.

58*m*. If a divorce is to be granted but not in accordance with the draft judgment filed, the judge shall hear submissions on behalf of the applicant and shall not grant the divorce until the appropriate draft judgment is filed. O. Reg. 324/86, s. 12, *part*.

58*n*.—(1) Where the application was commenced in the Court and a divorce was granted, the clerk shall issue a certificate of divorce when,

(*a*) the divorce has taken effect;

ENVIRONMENTAL ASSESSMENT ACT

O. Reg. 325/86.
Exemption—Windsor Utilities Commission—WIND-C-1.
Made—May 15th, 1986.
Approved—May 15th, 1986.
Filed—June 3rd, 1986.

ORDER MADE UNDER THE ENVIRONMENTAL ASSESSMENT ACT

EXEMPTION—WINDSOR UTILITIES COMMISSION—WIND-C-1

Having received a request from the Windsor Utilities Commission that an undertaking, namely:

> the activity of planning, designing, constructing and operating an extension to the Walker Transformer Station on lands in Lot 98, Concession 2, in the former Township of Sandwich East now in the City of Windsor, to transform electrical current from 115 kV to 27.6 kV

be exempt from the application of the Act pursuant to section 29; and

Having been advised that if the undertaking is subject to the application of the Act, the following injury, damage or interference with the persons and property indicated will occur:

A. The proponent will be affected due to a loss in operational efficiency and flexibility whenever there is a requirement to switch an excess electrical load to another transformer station.

B. The proponent and its customers will be damaged and interfered with if required to prepare an environmental assessment for an undertaking which is of a minor nature and will have only minimal adverse effect on the environment.

C. If Windsor Utilities Commission does not have the extension to Walker Transformer Station in operation by early 1987, new industrial loads will likely overload existing facilities on a continuing basis with the effects similar to those set out in 'A' above.

Having weighed such injury, damage or interference against the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment which would result from the undertaking being subject to the application of the Act;

The undersigned is of the opinion that it is in the public interest to order and orders that the undertaking is exempt from the application of the Act for the following reasons:

A. The proponent has prepared an Environmental Study Report, a copy of which is filed with the Environmental Assessment Branch of the Ministry and placed on the public records kept by the Branch at the Ministry's main office under section 31 of the Act, advising that the environmental effects of construction and operation of the transformer station are expected to be very limited and not adverse.

B. The public and property owners have been made aware of the proposed construction of the transformer station and the proponent advises that there are no public concerns whatsoever.

C. The preferred site is presently owned by Ontario Hydro and was originally designed with an ultimate capacity for four transformers, but only two transformers are on site at present.

D. The proponent has initiated pre-submission consultation with the Ministry and will maintain this contact throughout the planning and construction stages.

This exemption is subject to the following terms and conditions:

1. This exemption shall expire if construction is not commenced by June 30, 1987.

2. The noise rating of the transformer immediately after installation and after a period of one year, must be determined by conducting measurements through NEMA ratings procedure. In the event the measured rating exceeds 73 dBA rating, the proponent will implement control measures such as using a sound barrier properly designed to reduce the noise levels by at least the measured excess and approved by the Noise Assessment Unit of the Ministry of the Environment.

3. The planning, design and implementation process for the facility will be carried out according to the Environmental Study Report and recommendations contained therein; and will be made known to the public and property owners in the area.

4. Mitigation of any adverse environmental effects during construction will be undertaken in accordance with Section 4 of Ontario Hydro's "Construction and Site Restoration Guidelines for Transmission Facilities". A copy of which is filed with the Environmental Study Report under file number 4-85-0201-002 in the public record maintained under section 31 of the Act. O. Reg. 325/86.
